

Eliminate Odors ...Fast!

AUTO INTERIOR FOGGER

Deodorizes Interior Upholstery, Carpet, Headliner

LASTING ODOR CONTROL

Clean Air® Auto Fogger is a one-shot total release fogging freshener treatment for the interior of your car, truck, RV and boat. The MicroMist™ fog reaches throughout your car's interior, penetrating into hidden spaces to safely and effectively eliminate odors. The Clean Air 2X system encapsulates odor causing molecules & stops odors at the source. The mild clean & fresh scent dissipates in a couple of days leaving lasting freshness.

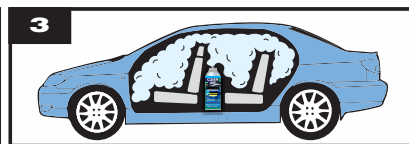

- **Full treatment in 15 minutes; Just set it and close the door!**
- **One can treats one vehicle system.**
- **Odor control lasts!**
- **Quick & Easy to Use - 1, 2, 3**

Engine & all electric off, windows up, set can in center of interior.

Press firmly to lock spray button. Spray upwards and close doors.

Keep car closed for at least 15 minutes for best results. Then open doors and ventilate for 10 minutes.

Use the Clean Air® Team for a Complete Treatment! Try Clean Air® Duct Freshener too!

Clean Air® Advanced Odor Control stops unpleasant odors at their source for long lasting results. Applied as directed, Clean Air's exclusive **CX-22** dual action encapsulation & surface odor control technology surrounds and **neutralizes odor-causing molecules from mold, mildew, algae, food, pets, tobacco smoke and more!** It safely freshens, cleans and coats the ventilation system - including vents, ductwork, evaporator core and drain pan. The light **Clean & Fresh** fragrance dissipates in a short time along with the odors!
